

 Single Family  3873 SQFT

PROPERTY DETAILS

Welcome to this stunning ranch-style home in the desirable Eastridge community of Highlands Ranch. Spanning 3,873 square feet, this former model features four bedrooms and three bathrooms, ideal for entertaining and comfortable living. The charming covered porch leads to a bright foyer and an expansive great room with large windows showcasing serene open space. The chef's kitchen boasts a center island, gas stove, and walk-in pantry. The main-level primary suite includes a luxurious five-piece en-suite bathroom. The versatile office can convert to a bedroom, and the walk-out basement offers two bedrooms and a family room. Enjoy the covered Trex deck, large backyard, and numerous upgrades, including a new roof and AC. With a three-car garage in a prime cul-de-sac location, this exceptional home is close to schools, trails, and amenities. Don't miss out!
