

Opne house

 Single Family  960 SQFT  3 Beds  1/1 Baths  3 Car  0.19 Acre

PROPERTY DETAILS

Price to sell! Check out this 3 bed, 1 bath home featuring a single attached garage and a detached 2-car garage with a grease pit, workbench, and sink—ideal for automotive fans. Keep your vehicles secure with extra parking inside the automatic fenced yard. Recent updates include a new roof, furnace, A/C, and hot water heater, along with a remodeled kitchen featuring a Quartz island and new appliances. The bathroom needs some TLC. Additional perks include new laminate floors, a sprinkler system, and a storage shed. There's also a non-conforming 1/4 bath by the garage. Enjoy the covered patio and raised deck with stunning views of the Denver skyline—perfect for July 4th fireworks!
