PROPERTY DETAILS

Location is key! This stunning 4-bedroom, 4-bath home in the desirable Ken Caryl neighborhood features a quiet cul-de-sac setting and mountain views. Recently remodeled, it sits on nearly a quarter acre with no back neighbors. Enjoy year-round grilling on the covered porch and an open floor plan with new flooring, paint, and appliances, including a chef's kitchen with a JennAir gas cooktop. The finished basement offers extra space with a 3/4 bath. The neighborhood boasts 50+ miles of trails, pools, sports courts, and a great equestrian center. With excellent schools and nearby shopping, this home offers incredible access to 470 and a short commute to the slopes. Don't miss out!
