PROPERTY DETAILS

****Stunning Corner Lot Home with Mountain Views**** Welcome to this beautiful home on a nearly 1/4 acre corner lot! The open floor plan features two living rooms, a formal dining area, and an eat-in kitchen, perfect for entertaining. The main level includes an office and a cozy fireplace. Upstairs, a versatile loft can be converted into two bedrooms, alongside four spacious bedrooms, including a primary suite with mountain views and a large walk-in closet. The backyard boasts a \$50,000 custom covered patio with a heater, fan, and TV, ideal for year-round gatherings. Additional features include an unfinished basement, Vivint security, newer Kitchen Aid appliances, and an oversized garage with a Tuff Shed. Schedule your showing today!
