PROPERTY DETAILS

Welcome to your dream home—where contemporary style meets everyday comfort and vibrant community living. Perfectly positioned facing a scenic open park that hosts lively community events, this stunning home is a rare find in the desirable Northfield neighborhood. Enjoy easy access to walking trails, top-tier shopping, and trendy dining. Step inside to an open and spacious floor plan filled with natural light. The modern updates throughout create a sleek yet inviting atmosphere. A chef's dream kitchen awaits, complete with high-end Bosch appliances that make entertaining a breeze. Retreat to your expansive primary suite and take in breathtaking mountain views—your personal sanctuary after a long day. Work from home in style with a dedicated office space and enjoy the privacy of a beautifully maintained backyard—ideal for quiet mornings or weekend gatherings. This home offers plenty of storage and room to grow; featuring an unfinished basement ready to be transformed into additional bedrooms, bathrooms, a home theater, or whatever your imagination desires. With solar panels already installed, you will enjoy significantly reduced energy costs while living sustainably. Don't miss this incredible home!
