## PROPERTY DETAILS

Looking for the perfect mountain getaway? Check out this stunning log home! Watch the video at <https://vimeo.com/1079229202>. It features a cozy rustic vibe with modern touches like a quartz kitchen island, stainless steel appliances, and a stylish hexagonal backsplash. The living room boasts a stone fireplace, large windows for natural light, and breathtaking views. Unwind in the luxurious bathroom with a freestanding tub and sleek glass shower. Plus, enjoy a theater room for movie nights and a deck ideal for sipping coffee while taking in the scenery. Ready to make it your forever home? Call today to see it—you won't want to leave! Septic rated for 4 bedrooms, suitable for 8 people.
