PROPERTY DETAILS

Welcome to this stunning ranch-style home on a premium corner lot with mountain views. Built by American Legend Homes, this 4,600-square-foot residence offers luxury upgrades and space for living and entertaining. Enter through an expansive hallway leading to a private home office, two bedrooms, and a full bath. A beautiful staircase takes you to the finished basement for extra living space. The secluded primary suite on the main level features a spa-like bathroom and a large walk-in closet. Enjoy two concrete patios, perfect for dining and relaxing, with natural gas stubs for future enhancements. Located in the award-winning Raindance community, you'll have access to trails, parks, a resort-style pool, and more. Experience a vibrant lifestyle in one of Colorado's premier communities—schedule your showing today!
