## PROPERTY DETAILS

This multi-level Conifer Mountain home is anything but ordinary—with a flexible layout offering a living space, bedroom, and full bath on each level. The main floor features a beautifully remodeled kitchen with alder cabinets, granite counters, slate flooring, and big windows for year-round light and passive solar. You'll also love the bonus room, unique double-loft bedroom, and cozy dining area overlooking the trees. Downstairs, enjoy vaulted ceilings, a moss rock wall, wood stove, and charming details like a repurposed antique vanity. Outside, relax on the deck or enjoy two private acres of usable land, aspens, pines, and peaceful mountain vibes—just 15 minutes to shops, restaurants, and trails.
