## PROPERTY DETAILS

Welcome to this beautiful 3-bedroom, 2.5-bathroom home in a quiet SE Denver cul-de-sac. With 2118 square feet of updated living space, it combines modern convenience with outdoor charm. The kitchen and bathrooms feature contemporary finishes, while wood and laminate flooring add warmth. Enjoy entertaining on the large covered deck or relaxing in the spacious yard next to a greenbelt with a walking path. Close to the Denver Tech Center and Cherry Creek State Park, this location offers both urban and outdoor amenities. Commuting is easy with nearby bus and light rail access. Additional features include recessed lighting and ceiling fans for year-round comfort. Don't miss this private oasis in Denver!
