PROPERTY DETAILS

This true ranch-style home offers easy, single-level living in a beautifully updated end-unit townhome near Weaver Creek Trail. Move-in ready, it features an open floorplan with engineered wood floors and modern light fixtures. The updated kitchen boasts granite countertops and spacious pantry cabinets. The living room has a cozy gas fireplace and transitions into a flexible office space. The expansive primary suite includes dual closets and a luxurious ensuite bath, while a bright secondary bedroom has a full hall bath with granite and tile. The laundry room leads to an attached two-car garage with storage and a workbench. Additional highlights include a newer roof, furnace, A/C, and Quantum fiber internet.
