PROPERTY DETAILS

This beautifully designed single-family home in Brighton Crossing offers 4 bedrooms and 3 bathrooms within 1,970 square feet, perfect for buyers seeking comfort and modern living. The two-car garage adds convenience and storage. Inside, light wood floors and recessed lighting welcome you. The open floor plan features a stylish kitchen with stainless steel appliances, a kitchen island, and elegant cabinetry, leading to bright dining and family rooms. The primary suite boasts a barn door, multiple windows, and an ensuite bath with a double vanity. The fenced backyard with a patio is ideal for entertaining. Brighton Crossing offers parks, trails, and amenities, making it family-friendly. This home includes upgrades like prewires for fans, a security system, and a landscaped yard. The seller offers assistance for closing costs. Enjoy access to fitness centers, pools, and walking paths. Don't miss this opportunity!
