PROPERTY DETAILS

LOCATION! Enjoy breathtaking peak-to-peak mountain views from your oversized deck while sipping coffee. This well-maintained Sterling Hills home features six bedrooms, perfect for multi-generational living. The corner lot offers stunning city views, and the updated walk-out basement includes a large family room, three bedrooms, and extra storage. The main level boasts beautiful hickory flooring, a fantastic kitchen with a dual oven, and a spacious dining nook that opens to the deck. The primary bedroom has an en-suite bathroom and walk-in closet. The basement can serve as a separate suite for guests or rental income. Conveniently located near shopping, dining, and parks. Don't miss this incredible property!
