PROPERTY DETAILS

This home in Wamblee Valley features a large primary suite with a walk-in closet, set on a picturesque 1-acre lot surrounded by towering pines. The open-concept living area has vaulted ceilings and an updated kitchen ideal for entertaining. The primary bedroom includes a cozy gas stove and dual walk-in closets, while the remodeled bathroom boasts custom cabinetry and a tiled shower. Additional warmth comes from three gas stoves and a wood stove for colder months. The lower level offers a family room and a remodeled bedroom with an ensuite, perfect for rental or office use. The oversized garage has a new door and 220V service. Enjoy vibrant spring and summer scenery from the wrap-around deck with views of Mount Evans. Conveniently located near Hwy 285, this home is just 25 minutes from Denver and close to ski resorts.
