## PROPERTY DETAILS

Discover a stunning 4-bedroom, 4-bath home on a full acre in Monument's Wakonda Hills, offering breathtaking mountain views. Enjoy nightly sunsets from the west-facing backyard, framed by open skies. Inside, American Hickory hardwood floors enhance the open-concept living and dining areas, filled with natural light. The kitchen features modern appliances and a gas stove, overlooking the cozy family room with a fireplace. The spacious primary suite boasts a 5-piece bath and mountain views. The finished basement includes a large rec room, guest suite, and another bath, perfect for multi-generational living. With a covered back deck, fenced garden, and storage shed, this home combines functionality with tranquility, all without HOA restrictions.
