PROPERTY DETAILS

Welcome to this impeccably maintained, one-owner, custom ranch style home, perfectly situated on a premium lot backing to open space, a serene pond & unobstructed Western mountain views. Designed for luxurious comfort & seamless indoor-outdoor living, this home offers breathtaking vistas from nearly every room—both on the main floor and finished walk-out lower level. The dramatic, vaulted great room boasts spacious living & dining areas, each with gorgeous lighting. Spacious, sun-filled kitchen w/granite counters, extensive cabinetry & a Cambria quartz island w/ induction cooktop. The luxurious private primary suite offers deck access and a nearby flex space ideal for a home office. The newly remodeled spa-style bath is truly a retreat, showcasing dual vanities (one with a built-in TV mirror), Cambria quartz accent walls, a freestanding soaking tub, oversized shower, dual water closets & two generous walk-in closets. Oversized 3-car garage is immaculate, featuring epoxy flooring, built-in cabinetry. This exceptional home is the perfect blend of luxury, great condition & scenic tranquility.
