

Mountain Oasis & Retreat

Single Family

4600 SQFT

3.57 Acre

PROPERTY DETAILS

Hey there! Ready to fall in love with your off-grid dreamy mountain getaway? Check out the video at <https://vimeo.com/1102074146>. This Idaho Springs gem sits on 3.57 acres with over 4,600 square feet of pure bliss, backing right up to the stunning Arapahoe National Forest. Imagine soaking in the hot tub on a sprawling deck with jaw-dropping mountain views, cozying up by the wood-burning fireplace, whipping up meals in a gourmet kitchen, or unwinding in a sleek bathroom with a marble shower. Plus, dive into your own indoor pool anytime you want! Spot a moose or two out front, thanks to the tree-lined entrance and wild neighbors. And the fun doesn't stop there—head to nearby St. Mary's Glacier for epic hiking and skiing adventures! Don't miss out—schedule a tour today and make this paradise yours! Septic rated for 3 bedrooms, suitable for 6 people.
