1 Car

PROPERTY DETAILS

This beautifully remodeled ranch-style townhome features 2 bedrooms and 1 bath, blending modern finishes with low-maintenance living in a prime location. Inside, enjoy new cabinetry, quartz countertops, and stainless steel appliances, including a self-cleaning oven and dishwasher. Updates include engineered hardwood flooring, recessed lighting, and a new A/C system for year-round comfort. The fully renovated bathroom boasts new fixtures, a vanity, and a tub. Additional highlights include fresh paint, new blinds, and a 2022 water heater. A washer and dryer, plus an attached one-car garage, add convenience. Located in a well-kept community with a pool and playground, this home offers easy access to the mountains and downtown.
