PROPERTY DETAILS

Looking for your dream escape? This cozy 3.7-acre home with a huge workshop in Conifer, CO, blends rustic charm with modern vibes! Inside, a spacious living area boasts a vaulted ceiling, a sleek fireplace, and big windows flooding the room with light—perfect for cozy nights. Step outside to a huge deck with jaw-dropping views of towering pines and aspens, ideal for chilling or hosting friends. Plus, a 30'x40' workshop/garage awaits your DIY projects or extra storage needs. Nestled in nature, this peaceful retreat is just a hop from local hotspots like the stunning Evergreen Lake (10 mins) for fishing or paddleboarding, and the scenic Mount Blue Sky (30 mins) for hiking or wildlife spotting, and Staunton State Park to hike, bike and fish. Ready to make it yours? Contact us today to schedule a tour and start living the mountain life! Septic Rated for 2 Bedrooms, suitable for 4 people.
