PROPERTY DETAILS

This nearly 3,000 sq ft home offers modern style and comfort in a convenient location. The open layout features wood floors and a bright living space that connects the stunning kitchen—with quartz countertops and stainless steel appliances—to the spacious family room with vaulted ceilings. A highlight is the enclosed sunroom with a wood-plank ceiling, leading to a beautifully landscaped backyard. The main level includes a luxurious primary suite with a spa-style bath, a second bedroom and bath, and a laundry room. The finished basement features a family room with a fireplace, two non-conforming bedrooms, and a bath. Additional perks include a newer boiler, oversized heated garage, and RV parking. Close to parks and amenities, this home is move-in ready.
