0.14 Acre

PROPERTY DETAILS

This charming Englewood home has been freshly remodeled, showcasing stylish updates and modern conveniences, which include a full kitchen remodel, interior and exterior painting, accent walls, new windows, new sewer line, front and back landscaping with sprinkler system. The new kitchen features stainless steel appliances, sleek cabinetry, herringbone backsplash, and hardwood floors. The main level offers an inviting living spaces and three bedrooms, while all bathrooms have contemporary finishes. The finished basement is appointed with extra living space, a fourth bedroom, and a ¾ bath, perfect for entertaining or guests. Outside, enjoy a fully fenced backyard with a private patio and a professionally landscaped yard equipped with a sprinkler system. Located near South Broadway and downtown Littleton and not far from the DTC and downtown Denver this home provides easy access to everything including parks, trails, and schools. It's truly move-in ready—don't miss out!
