0.23 Acre

PROPERTY DETAILS

This beautifully designed 5-bedroom pool home in Brookside offers a unique opportunity for buyers. Covering 2,495 square feet, it includes a 2-car garage, perfect for families seeking space and elegance. The Mediterranean style, tile roof, and lush landscaping enhance its curb appeal. Inside, an open floor plan with vaulted ceilings and natural light welcomes you. The kitchen features high-end stainless steel appliances, a central island, and light stone countertops. The primary suite is a private retreat with a walk-in closet and a luxurious primary ensuite with a soaking tub, glass enclosed shower, new vanity, fresh tiled floors. The outdoor area boasts a fenced in-ground pool, mango and palm trees and a spacious patio, ideal for entertaining. Brookside provides a family-friendly environment with access to great schools, parks, and shopping.
