## PROPERTY DETAILS

Nestled where foothills meet stunning red rock formations, this custom-built 4-bedroom ranch home with a 3-car garage offers a private retreat on nearly 1 acre. The covered stone porch leads to a foyer with artisanal tile and radiant heat flooring, showcasing breathtaking views through a wall of windows. Spanning over 3,522 sq. ft., the home features a family room with a stone double fireplace, an elegant oval dining room with a chandelier and Tuscan mural, and a kitchen with rich cabinets and a spacious island. The outdoor oasis includes a gas grill, limestone tile, and a hot tub. The private south wing houses an executive office and a luxurious owner's suite with a 5-piece bath and private deck. A walkout basement offers a rec room, wet bar, and gym. Enjoy the outdoors with trails and resort-style amenities nearby.
