PROPERTY DETAILS

Welcome to your dream retreat on a stunning 5-acre sanctuary surrounded by mature pine trees and mountain views! This lovely 4-bedroom, 3-bathroom home features two large primary suites for relaxation and privacy. The updated kitchen includes newer appliances and custom Alder cabinets. Enjoy afternoon shade on the newer composite deck that overlooks the serene surroundings. An 880 sq. ft. Accessory Dwelling Unit offers a private bedroom, bathroom, full kitchen, and living room—ideal for guests. The property boasts a heated and air conditioned 3-car garage plus another 2 car attached garage on the other end of the house. The big attraction is the massive 4,500 sq. ft. workshop with large roll-up doors, perfect for hobbies, a home-based business, or storing your large toys! Quiet and private 5 acres yet you are still close to dining, shopping and major highways. 2 Domestic water wells with adjudicated water rights and backup generators for both buildings. This is a rare find for the motor vehicle enthusiast or entrepreneur.
