PROPERTY DETAILS

Step into style and comfort in this thoughtfully updated home, where designer touches meet everyday convenience. Featuring Visual Comfort & Co. lighting, modern hardware, and a sophisticated palette of designer-selected tile, paint colors, and plumbing fixtures, every detail has been carefully chosen. The kitchen boasts a premium single-compartment heavy-gauge sink, while the bathrooms shine with upgraded shower doors and elegant finishes. Freshly refinished hardwood floors with three coats of water-based finish add warmth throughout, complemented by many new high-efficiency windows and upgraded entry doors. Major systems have been serviced and permitted—electrical and HVAC work completed by licensed professionals, with a brand-new AC condenser ensuring year-round comfort. Enjoy the outdoors on your upgraded composite rear patio/deck overlooking a large backyard, perfect for gatherings. Nestled on a quiet street in a cul-de-sac, this home offers both privacy and convenience—ready for you to move right in and enjoy.
