PRICE \$399,500

Single Family

1476 SQFT

PROPERTY DETAILS

This well-maintained, 5-year-old single-story home features an open-concept layout ideal for modern living. It includes 3 bedrooms and 2 full bathrooms, highlighted by a spacious primary suite with a private en-suite. The kitchen offers granite countertops, a pantry, and a breakfast bar, with easy access to a formal dining room perfect for entertaining. A convenient laundry room is located off the garage. Outside, a deck overlooks a tranquil greenbelt, providing privacy and serene views. This home combines contemporary design, functionality, and beautiful surroundings—making it a must-see.
