PROPERTY DETAILS

Love where you live and seek out this sought after location in Beverly Heights, under the "M". Rare Ranch style home with a finished walkout basement offering views of Table Mountain. Mid Century Modern feel, brought to life with an open living room and kitchen, sun drenched sitting area complete with skylights and views of the front gardens. The kitchen opens up to an eating space offering Table Mountain and Golden views. The sky is the limit on entertaining in this floorplan, plenty of space for all and access to your deck. The main level also features a spacious primary suite with double closets and updated bath. Two other bedrooms, one a perfect home office while you enjoy all that Golden offers. Fully finished walkout basement features a family room space, exercise room, hot tub, 2 additional very large bedrooms, with walk-in closets and additional bath. Storage will not be an issue with bonus closets and a separate storage room. Gardening your thing? You will love the greenhouse for all of your vegetable gardening. Stunning flowers, fruit trees, a true retreat in color. Thoughtful design, solar panels are leased, abundant light, 2 car garage. A short bike ride to Downtown Golden, the Farmer's Market, local hot spots, School of Mines, trails, hikes, commuting is a snap to the mountains or Downtown Denver, this property is truly a do not miss.
