PROPERTY DETAILS

Welcome to your slice of Colorado living! This charming farmhouse-style home combines open spaces, hobby farm potential, and modern comforts. Enjoy morning coffee on the wraparound deck or gather around the firepit in the evenings. A 50'x50' irrigated garden features sunflowers, grapevines, and fruit trees, making farm-to-table living a reality.

The property includes a two-stall barn, fenced grazing areas, and a large pasture for animals. A massive workshop/garage with oversized doors and electrical power is perfect for storage or projects.

Inside, the open floor plan features a kitchen with granite counters, flowing into a dining room and spacious living room. The primary suite has dual closets and a private bath, while the walk-out basement offers a family room and additional bedroom.
