PROPERTY DETAILS

Welcome to this three-bedroom, three-bathroom home in Park View! This beautifully updated home offers comfort, and functionality in one of Centennial's most sought-after neighborhoods. Step inside and you'll be greeted by soaring ceilings, fresh paint, and hardwood floors that flow throughout the main level. The living room offers abundant natural light and easy flow into the dining area and kitchen, perfect for entertaining. The spacious kitchen features ample amounts of cabinetry, spacious countertops, and an island. The open-concept layout allows you to cook while still enjoying company, plus all stainless steel appliances are included...talk about move-in ready! The family room is anchored by a charming fireplace with surrounded built-ins and large windows, creating a bright and inviting space to gather. Upstairs, the primary bedroom feels like a true retreat with plenty of space and natural light, a walk-in closet, and an en-suite bathroom featuring a double vanity and tub/shower combo. Two additional bedrooms, a full bath, and a loft with a built-in desk provide flexible living options for work, play, or study. The unfinished basement offers endless possibilities for expansion, whether you envision a game room, movie room, or additional living area. This home is nestled in the desirable Park View community. Enjoy the many parks and access to the award-winning Cherry Creek School District. Enjoy the easy access to just about anywhere, including E-470, Denver
