PROPERTY DETAILS

Immaculate two-story home with concrete block construction on both floors! This plan offers a flex room that could be an office. Central living room and open concept kitchen with Quartz countertops, extended island and complete the main level. Duravana waterproof flooring and tiles throughout the house. Upstairs has a generous owner's suite with full bath, loft area that could be an office or entertainment room and the laundry room simplifies an everyday chore! Epoxy coating flooring in the garage and porch of the house. The patio was extended and fenced with fruit trees like Coco Dwarf (refers to a specific type of coconut tree that is smaller in size, it typically reaches heights of 50-100 feet) and Sylvestre. St. Augustin grass, that is vividly green, ideal for lawns in hotter climate.
