## PROPERTY DETAILS

Flawless fusion of cutting-edge design & pristine natural surroundings awaits in the prestigious gated enclave of Cub Creek Ranch. Meticulously crafted to harmonize with nature, this custom contemporary residence exemplifies the pinnacle of modern mountain living. Inside, a sophisticated open-concept floor plan unfolds with seamless main-level living. The expansive great room & dining area are framed by dual window walls that blur the line between indoors & out. The sleek, light-filled kitchen is a showpiece in both form & function, featuring high-end appliances, wet bar & every amenity for gathering & entertaining. Comfort & luxury abound with an exquisite main level primary suite with steam shower & incredible closet. Additional spaces include a fabulous workout room with a therapy/exercise pool & ensuite bathroom. Up the dramatic floating staircase find an additional 2 bedrooms, bathroom & flexible family room with balcony & kitchenette, ideal for multi-generational living or a private home office. Outdoors, enjoy multiple living & entertaining areas on this stunning four-acre
