PROPERTY DETAILS

Location, Location, Location! This stunning 1992 MAME Award-winning residence combines luxury with natural beauty. Designed by Sears Barrett Architecture, it offers over 7,400 square feet of exquisite living space.

Nestled on a one-acre lot, the home is surrounded by serene wilderness, providing seclusion and tranquility. Expansive windows showcase breathtaking views and allow natural light to illuminate the interior, seamlessly connecting indoor and outdoor spaces.

The interior features soaring ceilings, elegant finishes, and a spacious layout perfect for gatherings, with multiple living areas, a gourmet kitchen, and luxurious bedrooms.

Outside, the grounds invite relaxation and recreation, whether enjoying coffee on the patio or hiking nearby trails. This Genesee home is a rare find—an oasis of serenity amidst Colorado's stunning landscape.
