PROPERTY DETAILS

Discover the charming Wild Geranium cabin, featuring main-level living with mountain touches. This home boasts knotty pine walls, hardwood floors, a stone fireplace, and rustic beams. With three bedrooms, two baths, an office, and a mudroom, it offers ample space all on one level. The primary suite includes an updated bathroom, a loft for storage, and a walk-in closet. The spacious eat-in kitchen has plenty of cabinetry and counters. Enjoy the wood-burning stove in the living room with a big picture window. Outside, a large fenced backyard and an expansive front deck provide serene views. The property includes a unique potting room and an oversized two-car garage. Recent updates include a new deck and exterior paint in 2020, plus a newer furnace and water heater. Located in Herzman Mesa, you're just minutes from trails and downtown Evergreen.
