PROPERTY DETAILS

Over 3,600 square feet of finished living space designed for comfort and connection. A bright, open layout flows effortlessly, making it easy to imagine everyday life here.

The main level features a primary bedroom retreat, while the kitchen—finished with hardwood floors, solid-surface countertops, ample cabinetry, and stainless steel appliances—opens to a vaulted family room with a gas fireplace. Upstairs, a loft and two bedrooms offer flexibility and separation. The garden-level finished basement extends the living space with a recreation room, built-in speakers, a second gas fireplace, wet bar, and private sauna—perfect for entertaining or unwinding.

A three-car garage, daylight basement, and generous storage complete this home—thoughtful, inviting, and ready to be lived in.
