dinner party or enjoying a quiet morning, this space delivers.

Entertaining reaches new heights with the dining room's moving glass wall, which opens completely to a covered deck—blurring the line between indoor and outdoor living. Imagine evenings gathered around the fire pit, listening to the gentle sound of your private pond and waterfall, surrounded by lush, professionally landscaped grounds. The thoughtfully designed backyard retreat features many trees, colorful shrubs, vibrant perennials, a paver patio, and elegant landscape lighting—all with minimal upkeep.

The main floor offers three well-appointed bedrooms, including a private primary suite that serves as a true sanctuary. Unwind in the spa-inspired oversized shower, enjoy the convenience of double sinks, and take advantage of an impressive walk-in closet. The beautiful home office with french doors could easily function as a fourth bedroom with the walk in closet.

Car enthusiasts and hobbyists will love the finished 4-car garage, complete with sleek epoxy floors, while the unfinished walkout basement presents a world of possibilities for future customization—whether a home theater, gym, or in-law suite.

Life in Macanta means resort-style amenities are always at your doorstep—a stunning clubhouse, a well-appointed fitness facility with locker rooms, a zero-entry outdoor pool, and a dedicated kiddie pool. Miles of walking trails and abundant open space make this community as beautiful outside your door as it is inside. This is more than a home—it's a lifestyle. Come experience it for yourself.
