PROPERTY DETAILS

Discover elegance in this custom home in Candelas Sky View, offering breathtaking lake, city, and mountain views. Enter through a stone archway into a light-filled space with soaring ceilings, extensive hardwood floors, and designer touches. The main level features a spacious great room and chef's kitchen with high-end appliances, a large island, and a custom mudroom. Upstairs, find four bedrooms with en-suite baths, including a primary suite with stunning views and a luxurious spa-like bath. The walkout basement is perfect for entertaining, with a kitchenette, fifth bedroom, and bath. Enjoy the expansive covered deck and resort-style amenities, including pools, fitness centers, and trails. Minutes from dining and shopping, Candelas offers the perfect blend of convenience and luxury. Welcome home!
