PROPERTY DETAILS

Charming 2-bedroom home with a large den that can easily convert to a 3rd bedroom, located in Historic White City near the river, parks, and a large farmer's market. Walkable to elementary schools, this CBS home features a 2018 metal roof, 2024 A/C, terrazzo floors, updated kitchen with modern appliances, and two beautifully remodeled baths. Enjoy an extended family room, enclosed carport for extra storage or bonus space, and a fully fenced yard that provides privacy with room for a pool. Two sheds, lush landscaping, and a mature mango tree complete this inviting property.
