## PROPERTY DETAILS

Welcome to this charming mid-century ranch in Northglenn, built in 1961 and beautifully remodeled to blend modern updates with original character. Inside, you'll find preserved mid-century details alongside stylish finishes, creating a fresh yet timeless atmosphere. A standout feature is the oversized, insulated, heated two-car detached garage, ideal for car enthusiasts or hobbyists. Outdoors, a covered patio and new deck provide space for relaxation and entertaining in a beautifully landscaped yard with new trees for privacy.

The home is conveniently located near Larsen Park, perfect for families, and offers easy access to I-25 for quick commutes to downtown Denver. This Northglenn ranch combines style, practicality, and a serene neighborhood setting. Included are an antique safe, a "Caves of Colorado" coffee table book by the original owner, and the original blueprints cover sheet. All furniture is negotiable.
