PROPERTY DETAILS

Sun-lit and sparking – that's how to describe this delightful remodeled home. From the stunning remodeled kitchen to the new decks surrounded by aspens and mountain views, this home will meet your your every need and fill your spirit. Modern upgrades completed with quality and thoughtfulness abound here. Step inside the new custom glass front door to wide-plank acacia hardwood flooring and a light, airy feel to the house. The kitchen is truly a stunner, just completed in 2022 with high-end cabinetry, quartz counters, bar seating, gas stovetop and even new skylights. It's open to the vaulted living room with gas fireplace and plentiful windows – it's the ideal set-up for today's living. You will find amazing views from almost every room via the new windows throughout the house. Step outside to the new deck—a private, spacious haven built with top-grade materials—perfect for morning coffee, evening dinners, or simply soaking in the gorgeous views and tranquil setting. You will love the outdoor living here! The primary suite offers more views, an updated bathroom with dual sinks, and dual closets. An additional bedroom here with high-grade carpet makes the perfect office (high speed internet). Downstairs, you'll find a charming family with new patio doors, a full bath, an additional bedroom, laundry room, and convenient access from the oversized garage. Every detail has been thoughtfully updated, including brand new windows and exterior doors. Paved
