PROPERTY DETAILS

Incredible Ranch in Parker! This updated 5-bedroom, 2-bath home with a finished basement is perfect for multigenerational living or as an Airbnb. Located in a top retirement area, it features a bright open floor plan, modern baths, and a great kitchen for entertaining. Enjoy year-round comfort with heating and cooling units in every room and laundry hookups on both levels. The lower level includes two spacious bedrooms and flexible living space. With no HOA, you can bring your boat or RV! The oversized yard is ideal for entertaining or storage. Minutes from downtown Parker and community events, with easy access to E-470, the Tech Center (10 min), and DIA (30 min). A rare find in a prime location! Don't miss out!
