PROPERTY DETAILS

Welcome to this unique 4-bedroom, 4-bathroom, 3-story home in Painted Prairie, recently named Community of the Year. This home features a rare rooftop deck with unobstructed views of Denver and the Front Range. The main level has an open layout with upgraded LVP flooring, a gourmet kitchen with quartz countertops and Whirlpool appliances, plus smart home integration. The primary suite offers a luxurious 5-piece bath. The third floor is designed for entertainment, featuring a game room, wet bar, and access to the rooftop lounge. An unfinished basement provides storage or future expansion. Enjoy an unbeatable location near Gaylord of the Rockies and various outdoor amenities. Additional features include EV charging pre-wiring and automated smart home controls.
