PROPERTY DETAILS

Welcome to this beautiful home where mountain tranquility meets city convenience. Nestled among protected Black Forest trees, this property offers privacy and natural beauty just minutes from urban amenities. The inviting front porch is perfect for relaxing with morning coffee amidst towering trees and fresh air. Inside, enjoy soaring ceilings with stunning wood beams and rich solid wood doors that add warmth. The open floor plan centers around a lovely eat-in kitchen with cherry wood cabinetry and a spacious island. Outdoors, the grounds, designed by a master gardener, create a peaceful landscape in harmony with the forest. With the primary suite, kitchen, and main living areas on the main floor, this home combines comfort with thoughtful convenience, offering a rare chance to experience mountain living close to the city.
