PROPERTY DETAILS

Welcome to this charming tri-level home in Fountain! With 3 bedrooms and 2 bathrooms, it's ideal for first-time buyers or investors looking to add value. Sweat equity is attainable here, as only cosmetic updates are needed. Enjoy beautiful laminate flooring, newer Samsung appliances, and a spacious kitchen and dining area. The separate living room offers additional gathering space. One bathroom is fully updated, while the second is functional and ready for your personal touch. The large backyard has great potential and includes a rock driveway for RV parking. A fully enclosed back patio is perfect for year-round relaxation. No HOA means more freedom to personalize this diamond in the rough!
