## PROPERTY DETAILS

Welcome to this well-maintained single-family home with 2 bedrooms, 2 bathrooms, and a one-car garage. Tile flooring throughout and a skylight in the kitchen provide ample natural light. The home features accordion shutters and a hurricane-rated garage door for safety. Recent upgrades include a new air conditioner, updated bathrooms, and a new washer and dryer. Enjoy Florida living with a covered screened patio and an open patio for relaxation or entertaining. Located on the Stranahan River, the property offers water views and access for boating and fishing. The community includes a clubhouse and pool, with low HOA fees covering landscaping. Conveniently near shopping, banking, and beaches. Don't miss this waterfront opportunity!
