PROPERTY DETAILS

Welcome to your beach paradise! This beautifully remodeled home is ready for its new owner. Enjoy sunny days by the beach and evenings on your private balcony with ocean breezes and sunsets. The home features wide plank wood tile floors, recessed lighting, coffered ceilings, and crown moldings. The custom kitchen boasts quartzite countertops, modern stainless steel appliances, and a "waterfall" brunch counter with hidden storage. The main living area includes a stone tile wall, wall-mounted fireplace, and built-in office space, with a queen-sized murphy bed for extra sleeping space. The spa-like bathroom features a waterfall shower and glass enclosure. Breakwater Towers offers beach access and community amenities. Discover your new lifestyle here!
