

## Updated Custom Lakewood Estates Ranch

Single Family

5614 SQFT

6 Beds

3/1 Baths

3 Car

0.33 Acre

## PROPERTY DETAILS

Exceptional custom ranch in Lakewood Estates offering over 5,600 sq ft and a 3-car garage. Impeccably maintained and thoughtfully updated with 5 bedrooms and 4 baths. Extensive hardwood floors. Remodeled kitchen with upgraded cabinetry, slab granite, under-cabinet lighting, double ovens, cooktop, stainless appliances, generous breakfast area and ample pantry storage. Expansive family room with tongue-and-groove vaulted ceilings, floor-to-ceiling gas fireplace and built-ins. Formal dining and light-filled living room ideal for entertaining. Main-floor primary suite with dual closets and steam shower bath, plus three additional bedrooms and laundry. Finished basement features large rec room, custom bar/kitchenette with wine fridge, media room with surround sound and TV, study with built-ins and fireplace, 5th bedroom, full bath, craft room/6th bed option and great storage. 33x11 covered patio, gazebo, firepit and designer landscaping. Voluntary HOA. Hail-resistant roof. Steps to parks, close to rec center, shopping and easy access to Denver and the mountains.
