PROPERTY DETAILS

Boulevard One at Lowry

Original fully upgraded model home. Located on a light filled corner lot, this 3-bedroom, 5-bath residence offers refined finishes, thoughtful design, and exceptional indoor-outdoor living.

The chef's kitchen includes Thermador stainless steel appliances, quartz countertops, and soft-close cabinetry, opening to an expansive great room with sliding glass doors to a private patio. The primary suite features a private balcony and a luxurious five-piece bath. Each secondary bedroom includes an ensuite bath with quartz finishes.

A dramatic staircase leads to the penthouse level and rooftop terrace with city and mountain views. The open basement with high ceilings offers storage and future finish potential.

Located just steps from neighborhood Park, Clark's Market, Denver Beer Company, Target, dining, and Lowry Town Center, with convenient access to Crestmoor Park, Cherry Creek, and Denver International Airport.

Luxury, location, and low-maintenance living in one of Denver's premier communities.
