PROPERTY DETAILS

Modern south-facing two-story across from open green space and trails, tucked on a quiet, low-traffic street with rare ample front parking and a long private driveway. Move-in ready with fresh paint, new carpet, soaring ceilings, and a fully finished basement. Flexible main-level space for office or guest room. Bright, open living flows into the kitchen—perfect for daily living and entertaining. Upstairs features a spacious primary suite, two additional bedrooms, and a full bath. Finished basement includes a rec area, bedroom, and full bath—ideal for guests or multigenerational living. Private backyard patio for Colorado sunshine and outdoor gatherings. Walk to Stanley Marketplace, Bluff Lake Nature Center, and Central Park. Minutes to Anschutz Medical Campus, Downtown Denver, DIA, and DTC. Low HOA. Choice of Denver or Aurora public schools, plus highly regarded charter and private school options.
