PROPERTY DETAILS

Welcome to 9380 Hoffman Way, a beautiful, fully remodeled and permitted home in an established neighborhood near schools, recreation centers, shopping, dining, and easy I-25 access! Sitting on a spacious corner lot, this 3-bedroom, 2-bathroom renovation blends modern updates with an open layout. At the heart of the home is a completely transformed kitchen designed to bring people together. Every detail has been thoughtfully updated—from the stunning quartz countertops and modern cabinetry to the sleek finishes. It opens seamlessly into the living areas, creating a natural flow whether you're entertaining or relaxing for the evening. Natural light fills the home throughout the day, highlighting the fresh updates and giving every room a bright, uplifting feel. Beyond the cosmetic upgrades, major improvements provide peace of mind for years to come, including a new roof, new mechanical systems, and approximately \$20,000 invested in professional landscaping that enhances the curb appeal and outdoor enjoyment. This move-in ready home is ready for its next chapter!
