PROPERTY DETAILS

Welcome to elevated living with direct park access and resort-style amenities inside and out. This beautifully upgraded home blends function, luxury, and entertainment at every turn. The gourmet kitchen features extended cabinetry, double ovens, gas cooktop, under-cabinet lighting, wine fridge, water filtration system with instant hot water, and electric blinds for effortless comfort. The open-concept living area includes a gas fireplace, surround sound wiring, and remote-controlled ceiling fan. The main floor offers a private study with French doors and built-ins, spacious laundry room with utility sink and cabinetry, and three bedrooms including a serene primary suite with extended shower, large walk-in closet, and electric blinds. Custom built-ins in the hallway closet provide smart organization. The finished basement is built for entertaining with a full bar, wine refrigerator, electric fireplace, two additional bedrooms or a flex space ideal for a gym or hobby room. The golf simulator setup is included (screen, projector, graphics system—just add your own computer and software). Step outside to your private backyard retreat featuring a pergola with dual sunshades, built-in outdoor kitchen, hot tub, stamped concrete walkway, and gate access directly to the park. Additional highlights include: • Three-car garage with new epoxy floor • Zero-scaped front yard with drip irrigation • Radon mitigation system • Smart security system (SimpliSafe + Ring doorbell) • Exterior Jellyfish lighting •
