## PROPERTY DETAILS

Stunning lakefront home with a detached guest house across from Sloan's Lake Park. The 12,500 sq ft professionally landscaped lot features an outdoor kitchen, gas firepit, and multiple entertaining areas. Inside, enjoy exquisite oak hardwood floors and a high-end kitchen with new white oak cabinetry, a 9-foot marble island, and commercial-grade appliances. The primary ensuite bathroom boasts heated floors and Toto toilets. Updates include renovated living spaces, a double-sided fireplace, and built-in ceiling speakers. Additional features: new AC, tankless water heater, and a sprinkler system. Close to trails, parks, restaurants, and a Light-Rail Station. Easy access to downtown Denver and the mountains. Welcome to your lakefront oasis!
